

Pre-K Religious School!

2023-2024

Would you like your Pre-K kiddos to see what the awesome Religious School at Temple Sinai is like?

REGISTER FOR PRE-K RELIGIOUS SCHOOL!

This is a wonderful opportunity for those kiddos currently in the Pre-K grade* to learn about Judaism in fun ways, as well as for families to build relationships in the Jewish community. The program will be held concurrent with Religious School - one Sunday a month from 9:00AM - 12:00PM. Each session will focus on the Jewish holiday or observance that it's closest to on the calendar. The classroom experience will be planned around songs, stories, activities and crafts, taught by one of our former Preschool teachers, Macey Schwartz. Our clergy will also interact with the Pre-K Religious School class through teaching prayers and song circles.

The best part? There is no cost to attend!

So, come be a part of something special at Temple Sinai.
